HHRA BOARD OF DIRECTORS

PRESIDENT	Joanne Fowlie	President@hickoryhills.ca
VICE-PRESIDENT	Gary Jewkes	VPresident@hickoryhills.ca
SECRETARY	Donna Brown	Secretary@hickoryhills.ca
TREASURER	Cathy Weaver	Treasurer@hickoryhills.ca

HOME SALES	Val Webster	Homesales@hickoryhills.ca
PROPERTY & MAINTENANCE	John Valle	Maintenance@hickoryhills.ca

As we welcome June and the promise of seasonal weather and sunshine, I would like to reflect back to May for a moment.

The AGM was well attended and three by-law amendments were approved. We say farewell to three Directors (Miriam Schernekau, Donna McCreary and Sue Martin) with heartfelt thanks for their years of service to our community.

It was good to see so many nominees running for the Board and welcome to four new Directors - Gary Jewkes, Val Webster, Cathy Weaver and Susan Veloso-Darling. John Valle and Joanne Fowlie were re-elected. Donna Brown has one year left in her term. This means the Board has a full slate of seven Directors. Well done Hickory Hills!

Also at the AGM, the Board recognized Darryl Carter as Volunteer of the Year. Darryl volunteers in many ways around our community, including set-up for activities, delivery for the Holler and Special Packages, calling Bingo and the weekly chore of taking out recycling and garbage for the Recreation Center. Darryl is always willing to lend a hand and help out when needed, whether in Hickory Hills or the wider Tillsonburg community.

Late June marks the start of the summer season. The pool will be open, hopefully accompanied by warm temperatures and sunny skies. Canada Day celebrations aren't far behind.

155 Wilson Update:

For the next step in our challenge against the construction of the 3.5 level apartment building, we will be making a presentation at the Oxford County Council Meeting on Wednesday, June 10 9:30 a.m. This is in Woodstock and details of the location will be shared in advance. In the week prior to the meeting, we will receive a copy of the revised proposal (from the Tillsonburg council meeting) that will be presented to the Council. Once the exact timing is set, a "town hall" type meeting here in Hickory Hills will be called for anyone interested in attending the Oxford County meeting on the 10th. Information will be given to the community as soon as it is available. A list of the Oxford Council members with their email addresses will be posted on Condo Control and in the lobby of the Recreation Centre.

Our April Spring Fling was a very successful sold out event. **Pure Vintage** did not disappoint with their musical selections that kept the dance floor full all night. Delicious appetizer trays prepared by local caterer Athens to Budapest were a bonus treat.

Our Mexican fiesta was another fun and festive sold out event headlined by the **Marachi Fuego** band from Hamilton and Toronto. They entertained us with a variety of songs and travelled from table to table. We mentioned to them it would have been even better with walkabout headsets. Everyone got into the spirit by donning colourful outfits which were thankfully captured in photos by both Mike and John. The room was decorated so beautifully and the wonderful array of traditional food was filling and appetizing, catered by Linda Belore.

To top off our evening, DJs Pat and John Van Slingerland kindly volunteered their time to give us 2 hours of dancing fun! A \$200 donation towards Tillsonburg hospital will be given at their request.

Mark the dates:

June 6 - Shelley Rastin band - dance to country, pop, and rock including some country originals.

July 25 afternoon - The Music Makers of London is an 8 piece orchestra with female vocalist who will perform jazz, swing and big band songs. There will be some room to dance if desired.

Sunday, September 6 afternoon with local singer /musician **Rob Cromwell**. Stay tuned for details.

For all future events that include food, we will ensure there is always a gluten free option. We kindly request those who are GF, to advise our ticket sellers.

Thanks again to those who help with cleanup and lucky draw selling. It's always great when we see new faces at our events so keep spreading the word. See you soon!

HOPE RISES by DAVID BALDACCI LARGE PRINT

Walter Nash, working under the alias of Dillon Hope, is on the road to revenge after becoming an informant for the FBI against a global criminal operation headed up by Victoria Steers. Steers has ripped everything Nash held dear away from him. He has nothing left to lose and with long, rigorous training under his belt, the gentle and sensitive Nash has transformed into something he never thought he'd be, a physically imposing man with lethal skills with only goal left in life, taking down Victoria Steers.

To succeed, he's going to need to cross enemy lines and work the job from the inside. Nash must rely on every ounce of his hard-earned skills in order to prove himself an ally to Steers if he's ever going to get close enough to decimate her criminal empire. Yet, despite hating the woman for destroying his life, Nash finds himself oddly drawn to Steers in ways that he never could've imagined. And what he ultimately discovers will turn all he believed upside down, forcing Nash to do something truly unfathomable. So, will the truth set Nash free, or end him?

THREE SUMMERS by KAREN SWAN

1957: The summer of innocence. Amongst the lemon trees, Rafaella Parisi impatiently waits for the summer visitors to arrive in her small fishing village on the coast of Puglia. She may be dating Fon Giannelli, but there is one person she longs to see, Cosimo, the son of the wealthy Franchetti family.

1958: The summer everything changes. After a devastating accident at the lavish Franchetti villa, Rafa makes a vow that changes the course of all their futures.

1961: The summer they meet again. When Rafa and Cosi's worlds collide, Rafa faces an agonizing choice. Is she willing to risk the life she has for the future she once dreamed of?

WOMAN DOWN by COLLEEN HOOVER

Her words used to set the page on fire. But a viral backlash over her latest film adaptation forced Petra Rose to take a hiatus, resulting in missed deadlines and an overdue mortgage. Branded a fraud and fame-hungry opportunist, she learned the hard way what happens when the internet turns on you. And she's been uninspired to write ever since. Now, with her next suspense novel outlined and savings nearly gone, she retreats to a secluded lakeside cabin, hoping to find inspiration. It's Petra's last-ditch attempt to save her career, and herself.

Then he shows up. Detective Nathaniel Saint arrives with disturbing news, his presence igniting a creativity in her she thought long since burned out. Petra's words return in a rush, and her fictional cop character begins to mirror the very real cop who's becoming her muse.

Their "research" sessions blur the lines between fantasy and reality. When Saint starts taking his role in her career a little too seriously, Petra's forced to confront the chaos she created. But doing so could cost her more than the reputation she's been trying to salvage. The reputation the world wrote for her, the reputation only she can reclaim.
